

# MULTI-FUNCTIONAL DETERGENT **PERFECT 6**

- 1** Strong enzyme to decompose protein food stains and natural bleaching components
- 2** Removes 99.9% of harmful germs with both power enzyme and Anti-D components
- 3** Removes unpleasant odors in clothes with components of natural green tea and lemon
- 4** No need to worry about skin irritation as remarkable washing does not leave any detergent
- 5** Strong washing power with surfactant and low-temperature activating double power enzyme
- 6** Removing mites in textiles and harmful components with "Anti-Mite Action"

*White garments will be more of a brighter white and colored garments will look more vivid.*
