All 100% Australian made.

Eucalyptus is a true Australian native tree and form about three-quarters of the tree flora of Australia. In the early 1900s. Eucalyptus was found to be an exceptional cleaner and natural disinfectant.

Our quality recipes go back to over 50 years ago. Our Eucalyptus recipe has grown to be an exceptional cleaner and natural disinfectant with a strong and loyal following for many years.

Our Eucalyptus Laundry detergent has a proven ability to clean all clothes well, clean your washing machine, look after your skin and environment. This product is super concentrated making it extremely economical to use.

The PERFECT EUCAL brand has been established to give the rest of the world the ability to enjoy and benefit from our quality Australian product.
